Profile

Passionate software developer, experienced in Java, Python, and C#. I have been learning and practising JavaScript, HTML, CSS, Flutter, Django, and ReactJS through online courses from Udemy since April 2020 and I am a certified Cisco's DevNet instructor. Other programming languages I know include C/C++. I am also very interested in information security, I am aiming to get the IBM Cybersecurity certificate. I am a Linux enthusiast, I have been using Ubuntu since 2018 and have recently been trying other Linux distros like Guruda Linux.
